Option 1:

Support 4-H youth while you shop this holiday season!

From **November 27–December 13**, visit your local **Tractor Supply** and round up your purchase or make a donation at checkout during the Paper Clover Campaign.

Every donation helps provide young people with hands-on experiences that build leadership, confidence, and life skills through 4-H programs right here in our state.

Together, we can help more youth become **Beyond Ready** for work and life.

Option 2:

A small donation can make a big difference.

During the **Paper Clover Campaign at Tractor Supply (November 27–December 13)**, your support helps bring 4-H programs to more young people through experiences that spark curiosity, build confidence, and prepare youth for the future.

Stop by your local Tractor Supply store and help invest in the next generation of leaders.

Thank you for supporting 4-H youth in our communities!
