Hi 4-H members and families,

We're so excited to partner with you this peach season. We hope we can help you raise funds for the exciting work and projects you do in your communities. We are big supporters and believers in the values of 4-H, and we are honored to help support your local clubs.

For years, The Peach Truck has been delivering orchard-fresh peaches to families across the country. Each peach is picked at peak ripeness, carefully hand packed, and on its way to our customers sometimes within HOURS of being on the tree. These truly are the freshest Southern peaches you can find. Now we're thrilled to work with 4-H members to help share those peaches with your communities.

Here's the sweetest part: For every box of peaches purchased through this program, **The Peach Truck will donate $10 to support 4-H.**

Whether you're sharing with family, neighbors, or friends, you're helping spread the joy of fresh peaches while supporting the next generation of leaders, potentially at The Peach Truck!

Inside this kit you'll find simple tools to help you get started. Thank you for being part of this partnership!

- The Peach Truck Team

THE Peach Truck®

TOP 10 WAYS TO SELL PEACH BOXES

1. **Start with family** Grandparents, aunts, uncles, and cousins are often the first people who want to support you.
2. **Text your closest friends** Send a quick message letting them know you're helping raise funds for 4-H. Even better, make a video so they can see how excited you are!
3. **Share on social media** Post about it on Facebook or Instagram. Use the photos that we included in your kit!
4. **Ask neighbors** Many neighbors love supporting local kids and community programs.
5. **Talk to your parents' coworkers and friends.** Parents can share the email or flyer with their workplace.
6. **Bring it to your community groups.** Many people love supporting youth organizations.
7. **Mention it at sports practices or school events.** Teammates and other families are great supporters.
8. **Post in neighborhood Facebook groups.** Local groups are often very supportive of fundraisers.
9. **Follow up with people who love peaches.** Think about anyone who loves baking, canning, or summer fruit.
10. **Share a reminder before the deadline by May 31.** Many people want to support you but simply forget. A quick reminder helps!

Subject: Fresh Southern Peaches & Support 4-H!

Enjoy peak-season peaches while supporting a great cause! 4-H has partnered with The Peach Truck to support local 4-H youth programming. Each peach from The Peach Truck is picked at peak ripeness, carefully inspected, and hand-packed before heading directly to customers—often within hours of being harvested.

For a limited time, $10 from every box purchased through this partnership will be donated to support local 4-H youth programs, helping provide meaningful learning, leadership, and growth opportunities for young people.

If you'd like to enjoy delicious peaches while supporting 4-H, you can place your order here: http://4hpeaches.com/

All orders benefiting 4-H must be placed by May 31.

Thank you for supporting 4-H and investing in the future of youth in your community!

Note: When you copy the email text from this PDF, the link will just paste in as plain text. It'd be great to turn the link into a clean hyperlink instead of leaving the full URL showing. It just makes things look a bit cleaner and easier to read. Not a huge deal if it doesn't happen, but that's the preferred way.
