Name _____ County _____ State _____

	3	2	1	Score
Youth Voice	Story comes from or is strongly centered on a youth or group of youth who have exceeded expectations and/or stepped up to challenges in their community.	Story is not tied to specific youth and their actions.	Story is focused on a program, but not the youth and the impact they've had.	
Community Impact	Story shows how community was improved due to 4-H'ers actions.	Story shows personal growth of 4-H youth, but no positive impact on community.	Story does not show community impact.	
Solving a problem/ meeting a current issue	Story shows that 4-H'ers are meeting a need or addressing a problem within their community that aligns with current issues in a larger context (i.e. national or societal).	Story does not highlight an action or impact that has a meaningful, sustainable, positive change.	Story does not show that a need has been met or a problem with significance to the community has been addressed.
