OPTION 1:

🍕 💔 A small donation can make a big difference.

This fall, Casey's and 4-H are teaming up to help more young people become **Beyond Ready** for career, life, and their future. From September 30–October 11, round up your in-store purchase at Casey's, or add a donation to your online or app order through October 31.

Every dollar helps support local 4-H programs that empower youth with leadership, problem-solving, and workforce-ready skills.

OPTION 2:

🌟 Strong communities start with empowered youth.

When you visit Casey's this fall, you can help create opportunities for the next generation. Round up your purchase in-store (Sept. 30–Oct. 11) or add a donation to online and app orders (Sept. 30–Oct. 31) to support local 4-H programs.

Together, Casey's and 4-H are investing in young people across rural communities—helping them build the skills and confidence to lead, serve, and thrive.
